Succession Plan

While **Utah WINGS** is housed under the judiciary, the **Utah WINGS** chair shall be a judge who is well versed in probate matters. The chair shall serve a term of three years—with an option to renew for a subsequent term—and at the conclusion of his or her service, appoint a successor with the same, or similar, qualifications.

Individual members shall serve a term of three years, and may serve up to two terms at the Executive Committee’s election. When a vacancy arises, a new member who can provide the same or similar representation shall be sought within sixty days. Members are expected to attend the meetings and may be released from the committee by the chair for failing to attend three meetings in a calendar year.

MEETINGS

Full Utah WINGS meetings

**Utah WINGS** shall meet approximately every two months. The meeting agenda shall be determined by the executive committee and circulated in advance of the full meeting.

Executive Committee

While **Utah WINGS** is housed under the judiciary, the Executive Committee shall consist of the **Utah WINGS** chair, the Court Visitor Coordinator, a staff attorney from the Administrative Office of the Courts, and up to three members of **Utah WINGS**, as determined by the chair.

Annual Open Invitation Meeting

Every November, or on some other annual basis, **Utah WINGS** shall invite to its full meeting community members and agency partners who are not **Utah WINGS** members but who engage with guardianship or conservatorship issues on a regular basis. The purpose of this annual meeting shall be to raise awareness of **Utah WINGS**’s efforts, to listen to the challenges facing those dealing with guardianship and conservatorship issues, and to identify potential projects that fall within the bounds of **Utah WINGS**’s objectives. This section is not intended to limit the

ability of guests to attend and participate in **Utah WINGS**'s other regular meetings throughout the year.

#### Annual Assessment Meeting

Every January, or on some other annual basis, **Utah WINGS** shall hold an assessment meeting to determine how well the committee is meeting its objectives and whether **Utah WINGS**'s needs and priorities have—or should be—changed.

#### Sub-Committee Assignments

Standing and ad hoc sub-committees shall be created for the purpose of carrying out the objectives of **Utah WINGS** and will meet as necessary, either in person or by electronic means. The Executive Committee shall review sub-committee projects for consistency with **Utah WINGS**'s objectives, particularly within the judiciary's constraints. A *standing education sub-committee* is hereby created.

#### Quorum

A simple majority of members present shall constitute a quorum for purposes of voting on and approving **Utah WINGS** minutes and all **Utah WINGS** projects.

### CONSTRAINTS ON THE JUDICIARY

**Utah WINGS** recognizes that the following activities may be important to its members, but as long as **Utah WINGS** is housed under the judiciary, which must maintain its neutrality, the group may not engage in them as official **Utah WINGS** projects:

- Advocate for the rights of individuals with decisional impairments;
- Promote independence to the greatest extent possible for those experiencing incapacities, unless it takes the form of public education about alternatives to guardianships and conservatorships or established standards for a guardian's conduct;
- Lobby the legislature for changes to guardianship policy; and
- Any other activity that may call into question the judiciary's neutrality.

Individual members may engage in these activities on behalf of their own organizations.
