

New Court Guest Wifi instructions

In an effort to improve performance on our wireless networks we've implemented a few changes. To this point, the guest WiFi has been **Pathway** or **Pathway2**. For the past few months, there has been an additional SSID called **courtsguest**. They will both continue to be available until we remove **Pathway** or **Pathway2** on **October 31st, 2018**.

We ask that everyone start using **courtsguest** now in preparation for the removal of **Pathway** or **Pathway2**.

To access the court guest wireless network, select **courtsguest** from the available WiFi networks.

When you open an internet browser, you will be directed to a login page. Under the username and password fields, there is a link to register an account.
